East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,

CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by

the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouch- ed for by a large proportion of those whose engage- ments led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Sub- scribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in duplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

NOTICE.

SEVERAL Advertizements in the various Calcutta papers, purporting to have been published by the Lessee of the Stone Quarries of Mirzapore and Chunar, especially the two Advertizements in the *Englishman* newspaper of the 3d and 5th of May, hereunto annexed, having been brought to the notice of the Sudder Board of Revenue North Western Provinces, it is hereby notified that no lease of the Stone Quarries has been granted to any person whatever. The Stone Quarries are by law open to the public, and every person is free to quarry such Stones as he may require, and to remove them so soon as he shall have paid the duty fixed by law on the sort of Stones taken.

A lease of the Government duty on Stones quarried in Chunar and Mirzapore was given to Mr. Menzies of Chunar, with a condition of forfeiture on the occurrence of any illegal proceeding. Numerous complaints have been made to the Sudder Board of illegal proceedings on the part of the said Lessee, and the case is under consideration of the Board. But the Board have directed the publication of this notice in order to prevent the public from remaining under an erroneous impression that any person had acquired a title to interfere with

the full right of all persons to quarry Stones as heretofore, and remove them on payment of the duty.

By Order of the Sudder Board of Revenue North Western Provinces,

H. M. ELLIOT, Secretary.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

NOTIFICATION.

FORT WILLIAM, OPIUM DEPARTMENT,

THE 26TH APRIL, 1841.

NOTICE is hereby given, that on Monday, the 24th day of May 1841, at the hour of 11 o'clock in the Forenoon, will be put up to Sale, at the Exchange Rooms at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned Quantity of Opium, the Provision of 1839-40, subject to the following Conditions, viz.

Produce of Behar Agency Opium, Chests.....	1,400
Ditto of Benares Ditto, ...	700
Total Chests,...	2,100

CONDITIONS OF SALE.

1. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2. The Opium to be offered for Sale at an upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3. If at the above Sale the entire quantity of 2,100 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the Lots which remain on hand at future Sales.

4. Each Lot to contain Five Chests.

5. A Deposit in a Promissory Note for 1,000 Rupees per Lot, or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the Afternoon of Friday, the 28th May 1841, or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale under the last mentioned Condition, if remaining unredeemed on the said 28th May 1841, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7. No Tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed Deposit may not have been made before 4 o'clock of the 28th May, will be afterwards accepted.

8. The Opium now advertised for Sale, shall be paid for within One Calendar Month from the day of Sale, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit of 1,000 Rupees per Lot, or 200 Rupees per Chest, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit.

9. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, as it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots, or of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10. No Sub-Treasurer's Receipts or Deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

11. The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered

to reject at his discretion the bid of any individual, unless such individual shall on demand tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to One Thousand Rupees per Lot (or Two Hundred Rupees per Chest,) on each Lot so bid for.

12. The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots; and for the Lots so purchased, the Purchaser shall deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty but not otherwise.

13. In the event of any dispute or difference touching or concerning any matter, or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall, and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

14. The following Papers, together with Samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1839-40, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shown to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

17. The Public are hereby informed that in addition to the quantity sold at the Sales of 4th January, 8th February, 19th April, and that now advertised for sale on 24th May, making together 14,700 chests as shewn in the margin, the following quantities, more or less, of Behar and Benares Opium, will be brought to sale this year, on or about the dates specified below:

NOTICE.

SEVERAL Advertisements in the various Calcutta papers, purporting to have been published by the Lessee of the Stone Quarries of Mirzapore and Chunar, especially the two Advertisements in the *Englishman* newspaper of the 3d and 5th of May, heretofore annexed, having been brought to the notice of the Sudder Board of Revenue North Western Provinces, it is hereby notified that no lease of the Stone Quarries has been granted to any person whatever. The Stone Quarries are by law open to the public, and every person is free to quarry such Stones as he may require, and to remove them so soon as he shall have paid the duty fixed by law on the export of Stones taken.

A lease of the Government duty on Stones quarried in Chunar and Mirzapore was given to Mr. Menzies of Chunar, with a condition of forfeiture on the occurrence of any illegal proceeding. Numerous complaints have been made to the Sudder Board of illegal proceedings on the part of the said Lessee, and the case is under consideration of the Board. But the Board have directed the publication of this notice in order to prevent the public from remaining under an erroneous impression that any person had acquired a title to interfere with the full right of all persons to quarry Stones as heretofore, and remove them on payment of the duty.

By Order of the Sudder Board of Revenue North Western Provinces,

H. M. ELLIOT, Secretary.

CAUTION.

The Lessee on the Stone Mahals in the District of Mirzapore, begs to caution the public from entering into any agreement or giving support to any person or persons offering to supply Stones from the above quarries without the sanction and approval of the undersigned.

Smuggling to a considerable extent not only by Natives but also Europeans, having been detected, it is hereby notified in order to prevent any one from pleading ignorance hereafter, that no Stones, new or old, of any description, can be removed from any one place to another until provided with a Pass or Rowannah, without subjecting themselves to the disgrace of being styled smugglers or thieves, and prosecuted as such to the utmost rigor of the law.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

NOTICE.

SEVERAL Advertisements in the various Calcutta papers, purporting to have been published by the Lessee of the Stone Quarries of Mirzapore and Chunar, especially the two Advertisements in the *Englishman* newspaper of the 3d and 5th of May, herewith annexed, having been brought to the notice of the Sudder Board of Revenue North Western Provinces, it is hereby notified that no lease of the Stone Quarries has been granted to any person whatever. The Stone Quarries are by law open to the public, and every person is free to quarry such Stones as he may require, and to remove them so soon as he shall have paid the duty fixed by law on the sort of Stones taken.

A lease of the Government duty on Stones quarried in Chunar and Mirzapore was given to Mr. Menzies of Chunar, with a condition of forfeiture on the occurrence of any illegal proceeding. Numerous complaints have been made to the Sudder Board of illegal proceedings on the part of the said Lessee, and the case is under consideration of the Board. But the Board have directed the publication of this notice in order to prevent the public from remaining under an erroneous impression that any person had acquired a title to interfere with the full right of all persons to quarry Stones as heretofore, and remove them on payment of the duty.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets, and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,

CHARING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS beg to remind their Subscribers and the Public at large, that they continue to transact every business of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS FOR MAKING ADVANCES IN INDIA AND CHINA, UPON

The Goods and Merchandise of India and China intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lieu of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at.....	Bengal,
Ditto.....	Madras,
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor, and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 31ST MAY, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 31st of May, 1841.

ACT No. — OF 1841.

An Act for consolidating, amending and extending the law relating to the Registration of Assurances.

I. It is hereby enacted, that Regulations XXXVI. 1793. XXVIII. 1795. XVII. 1803, and Section 17, Regulation VIII. 1805 so far as it relates to Regulation XVII. 1803, also Section 32, Regulation XII. 1805, Regulation XXII. 1812 and Regulation IV. 1824 of the Bengal Code, Regulation XVII. 1802 of the Madras Code, and Regulation IX. 1827 of the Bombay Code and Act No. XXX. 1838, be repealed.

II. And it is hereby enacted, that the Local Government of each Presidency shall on or before the day of _____ establish at and for each Presidency Town, and each Zillah Station, and such Districts of smaller extent as may be deemed necessary an Office for the Registering of Assurances, and shall appoint such persons to superintend those Offices and shall assign to them such salaries and establishments and shall take such securities for the due performance of their duties, and shall frame such rules for their guidance not inconsistent with this Act, as may seem fit.

III. And it is hereby enacted, that all Assurances to be made, passed or executed after the said _____ day of _____ by which any lands within the said Presidency Towns, or the said Zillahs shall be in any way affected at Law or in Equity may be registered at the local Register Office of the Town or Zillah or other district in which the said lands or the greater part of them may be situated in the manner hereinafter directed.

IV. And it is hereby enacted, that every decree or order of any Court and every Will or Codicil, and every Contract, Memorandum, Receipt or other writing whatsoever by which any estate or interest in any lands shall be created, transferred or otherwise affected, and every writing which shall be the evidence of any act or matter whereby any such estate or interest shall be created, transferred or otherwise affected, shall be considered as an Assurance affecting such lands within the meaning of this Act: and every person whose estate or interest in any lands shall be transferred or determined in whole or in part by any Assurance shall be considered as the grantor of such Assurance.

V. And it is hereby enacted, that where any Will by which any lands within the said Presidency Towns, or the said Zillahs shall be in any way affected at Law or in Equity, shall have been made, passed or executed on or before the said _____ day of _____ and the testator shall die after the said _____ day of _____ such Assurance may be in like manner registered at the local Register Office of the Town or Zillah as the case may be.

VI. And it is hereby enacted, that where any lands shall form part of the personal estate of any person deceased, every Will duly proved or Letters of Administration by which the personal representative of such person deceased shall be appointed, or by which the appointment of such personal representative shall be revoked, or by which the right to the personal representation of such person deceased shall be in any way regulated, shall be considered as affecting such land.

VII. And it is hereby enacted, that any person may require a Caveat to be entered in the Register for any Town or District, against his own acts and in favor of any other person, for the protection of any Assurance affecting any lands within such Town or District, which shall have been made and executed, or shall be in progress, or shall have been in contemplation at the time of entering such Caveat.

VIII. And it is hereby enacted, that every requisition for a Caveat shall be made in writing, and shall be signed by the grantor thereof, and shall name or describe the person in whose favor the Caveat is to be entered, and shall specify or describe the lands which it is intended should be affected thereby, and the time during which such Caveat shall remain in force, which time shall not exceed 6 months from the date of the Caveat.

IX. And it is hereby enacted that every requisition for a Caveat at which may be deposited at the Register Office, shall be registered in the same Register, and under the same head, and in the same manner, as the Assurance to be protected by such Caveat would, under the provisions of this Act, have been registered if the same had been registered at the time of entering such Caveat.

X. And it is hereby enacted, that the Registrar to whom an Assurance may be presented for registry shall immediately note upon it the day, hour and minute of presentation, and shall cause an exact copy of it to be entered in a book according to the order in which it is presented, or if two or more Assurances shall be received at the same time then according to their respective dates, and shall attest the copy with his signature and with the signature of the party by whom the deed is presented, and shall then return the original with a certificate under his signature endorsed thereon specifying the day, hour and minute of receipt and of registry with references to the book containing the registry thereof, and the page and number under which the same shall have been entered therein.

XI. And it is hereby enacted, that every Assurance by this Act authorized to be registered (except as hereinafter provided) shall, so far as regards any lands to be affected thereby, be void as against any person claiming under any subsequent Assurance duly registered, unless the prior Assurance shall have been duly registered before the registration of the subsequent Assurance; any alleged notice of such prior Assurance notwithstanding.

XII. Provided however, and it is hereby enacted, that every Will which shall be registered within the space of one year after the death of the testator, shall be as valid and effectual as if the same had been registered immediately after the death of such testator.

XIII. And it is hereby enacted, that where any Assurance for the protection of which a Caveat shall have been entered shall be executed by the grantor of such Caveat, or by any person who shall claim under him, and shall also be executed by the person in whose favor such Caveat shall have been entered, or

by his Executors, Administrators, or any other person entitled to the benefit thereof, and shall be duly registered within the time not exceeding six months for which the Caveat shall have been registered, such Assurance shall be entitled to the same preference and protection as if the same had been registered at the time of entering the Caveat.

XIV. And it is hereby enacted, that any person may apply to a Register Office for an office copy or extract of any Assurance or other document registered thereat; and thereupon such copy or extract shall be prepared and a certificate signed by the Registrar shall be written or endorsed thereupon, which certificate shall state that such copy or extract is an examined copy or extract of the Assurance or other document registered; and shall specify the book and the place in which such Assurance or other document has been registered.

XV. And it is hereby enacted, that any person may on application at a Register Office, be allowed to inspect and search any of the registers to be kept at the said offices; and to take extracts from any such registers, subject to such Regulations as shall be made in pursuance of this Act.

XVI. And it is hereby enacted, that all office copies, extracts and certificates to be provided under this Act, and all receipts to be given under this Act for the payment of fees and for deposits, unless the same be required to be given in evidence in a Court of Civil Justice, shall be exempted from Stamp duty.

XVII. And it is hereby enacted, that every certificate under the signature of a Registrar made according to the provisions of this Act, shall be admitted in all Courts as sufficient evidence of any matter duly certified by such certificate without proof of the handwriting of the Certifying Officer.

XVIII. And it is hereby enacted, that every copy of or extract from any Assurance or other document registered at any Register Office, shall, if duly certified according to the provisions of this Act, be admitted in all Courts as sufficient evidence of the contents of such Assurance or other document, or of such part of such Assurance or other document as such copy or extract shall purport to contain.

XIX. And it is hereby enacted, that the fees specified in the Schedule of this Act annexed, shall be paid to the Registrar of every Register Office for the acts and things for which the same are respectively in the said Schedule expressed to be payable.

XX. And it is hereby enacted, that the fees for registering any Assurance or for entering any Caveat, shall be brought or sent to the Register Office, with the document to be registered and the fees for making office copies of and extracts from any registered documents, shall be paid before such office copies or extracts shall be delivered, and the fees for the several other acts and things for which fees are in the said Schedule expressed to be payable, shall be paid before such acts or things respectively shall be done or permitted; and no person shall be entitled to the delivery from a Register Office, of any compared or examined document, office copy, extract or certificate, or to make any search in the said Register Office, until the fees payable thereon shall have been paid.

XXI. And it is hereby enacted, that in case of the death or absence on leave of any person appointed by the Local Government to register Assurances under this Act, it shall be lawful for the Zillah Judge or other Officer specially authorized by the Local Government, to appoint any person whom he may think proper to take temporary charge of the office and to register Assurances in the same manner as if such person had been appointed to the office by the orders of the Local Government.

XXII. And it is hereby enacted, that upon any Assurance being brought to any such office as aforesaid for registration, it shall be the duty of the Registering Officer to provide that a complete and exact copy be taken of the contents of such Assurance, which copy shall on no account be removed from the office; and any person fraudulently removing such copy from the office of Registry, or fraudulently making any alteration or erasure therein, shall be transported beyond seas for the term of his life.

Ordered that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 31st day of August next.

OVERLAND LETTERS AND POSTAGE

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

ACT No. V. OF 1841.

An Act for the greater uniformity of the process upon Trials for State Offences, and the amendment of such process in certain cases.

I. Whereas it is expedient that the rules of process for the trials of state offences should be modified with a view to uniformity at the different Presidencies; and whereas some of the rules heretofore in force at particular Presidencies require amendment;—

It is hereby enacted, in modification of all regulations and parts of regulations affecting process upon trials for state offences, that it shall be competent for the ordinary tribunals to try charges of treason, rebellion or other crime against the state.

II. And it is hereby enacted, that it shall be competent for the Government of any Presidency to issue a commission for the trial of any offences of treason, rebellion or crime against the state by one or more Judges, together with such Law Officers as shall be required or without any such Officer, according as it may be deemed expedient.

III. And it is hereby enacted, that the Courts convened under such Commissions are to try the prisoners brought before them in the same manner as in trials before the Ordinary Courts; and shall exercise all powers and authorities vested in such Courts, except that their sentence, whether of acquittal or punishment, shall in every instance be reported with their proceedings to the highest Court of the East India Company for Criminal matters of the Presidency, previous to carrying the same into execution; and they are to be guided as to the place where they are to assemble, the persons to be tried by them, and all other particulars not provided by any Regulation of the respective Presidencies, or by any Act of the Governor General of India in Council, by the special orders which they may receive from the executive Government, or from the highest Court of the East India Company for Criminal matters in the Presidency.

IV. And it is hereby enacted, that in case of the death, or of the absence from indisposition or other cause, of any of the Judges, or Law Officers of the Courts which may be appointed to try offenders under this Regulation, the remaining Judge or Judges, or Law Officer or Officers, shall be competent to form a Court, and proceed with the trial or trials, until provision can be made by the Government of the Presidency for supplying the place of such Judge or Judges, or Law Officer or Officers, if any such provision shall be deemed necessary; or, if no such provision be made, the powers and proceedings of the said Courts shall not be affected by the death or absence of such Judge or Judges, or Law Officer or Officers.

V. And it is hereby enacted, that the highest Courts of the East India Company for Criminal matters of the respective Presidencies on the receipt of any trials referred to them under this Act, are to proceed thereupon according to the rules in force with respect to other trials referred to them; except that they are in every instance to report their sentences to the executive Government of the Presidency for the time being; and are to wait the orders of Government for the period of three calendar months before they direct their sentence to be carried into execution.

VI. And it is hereby enacted, that the Magistrates of the several Zillahs and Cities, where any person or persons shall be charged with the crimes mentioned in this Act, shall give immediate notice thereof to the Government of the Presidency to which their several Districts or Cities belong, and shall pay immediate and strict attention to all orders which may be transmitted to them by their respective Governments for the apprehension of persons charged as aforesaid, or for making any enquiry respecting such persons, or for committing them to take their trials before the Ordinary Courts, or before the Special Courts described in this Act.

CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 31st of May 1841, is hereby promulgated for general information.

ACT No. V. of 1841.

An Act for the greater uniformity of the process upon Trials for State Offences, and the amendment of such process in certain cases.

I. Whereas it is expedient that the rules of process for the trials of state offences should be modified with a view to uniformity at the different Presidencies; and whereas some of the rules heretofore in force at particular Presidencies require amendment;—

It is hereby enacted, in modification of all regulations and parts of regulations affecting process upon trials for state offences, that it shall be competent for the ordinary tribunals to try charges of treason, rebellion or other crime against the state.

II. And it is hereby enacted, that it shall be competent for the Government of any Presidency to issue a commission for the trial of any offences of treason, rebellion or crime against the state by one or more Judges, together with such Law Officers as shall be required or without any such Officer, according as it may be deemed expedient.

III. And it is hereby enacted, that the Courts convened under such Commissions are to try the prisoners brought before them in the same manner as in trials before the Ordinary Courts; and shall exercise all powers and authorities vested in such Courts, except that their sentence, whether of acquittal or punishment, shall in every instance be reported with their proceedings to the highest Court of the East India Company for Criminal matters of the Presidency, previous to carrying the same into execution; and they are to be guided as to the place where they are to assemble, the persons to be tried by them, and all other particulars not provided by any Regulation of the respective Presidencies, or by any Act of the Governor General of India in Council, by the special orders which they may receive from the executive Government, or from the highest Court of the East India Company for Criminal matters in the Presidency.

V. And it is hereby enacted, that the highest Courts of the East India Company for Criminal matters of the respective Presidencies on the receipt of any trials referred to them under this Act, are to proceed thereupon according to the rules in force with respect to other trials referred to them; except that they are in every instance to report their sentences to the executive Government of the Presidency for the time being; and are to wait the orders of Government for the period of three calendar months before they direct their sentence to be carried into execution.

FOR

MAKING ADVANCES IN INDIA AND CHINA, UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouse as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

For Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Ditto.....
Ditto.....	Ditto.....
For Spanish Dollar Ditto.....	China.

The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in duplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order, but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 14TH JUNE, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 14th of June 1841, is hereby promulgated for general information.

Act No. VII. of 1841.

An Act for a more uniform and an improved process for taking the examination of absent witnesses

I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examination of absent witnesses in any Presidency, are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company, and the several Judges thereof, in every Civil proceeding depending in such Court, upon the application of any of the parties to such proceeding, to order the examination, upon interrogatories or otherwise, before any Officer of any such Court, or other person or persons named in such order, of any witnesses within the jurisdiction of the Court where the proceeding shall be depending, or to order a Commission to issue to any subordinate Court for the examination of such witnesses upon interrogatories or otherwise, or to order a Commission to issue to any other Court for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise, and by the same or any subsequent order or orders to give all such directions for taking such examinations as well within the jurisdiction of the Court wherein the proceeding shall be depending as without as may appear reasonable and just; provided always that any Court to whom any such Commission shall be directed shall take the examination in open Court in all cases where witnesses are able to attend in Court and are not exempted from attendance by law, absolutely, or at the discretion of the Court. Provided also that such Commissions as aforesaid for the examination of witnesses out of such jurisdiction may be directed otherwise than to some Court under special circumstances which may appear to the Court issuing the Commission to render such special direction expedient: Provided also that all Commissions issued and Orders made by any Court of the East India Company, and which are required to be executed within the local limits of any of Her Majesty's Supreme Courts, shall be directed in manner hereinafter mentioned.

III. And it is hereby enacted, that when any Order shall be made for the examination of witnesses within the jurisdiction of the Court wherein any such proceeding as aforesaid shall be depending by the authority of this Act, it shall be lawful for the Court or any Judge thereof in and by the first Order to be made in the matter, or any subsequent order to com-

mand the attendance of any person to be named in such Order, and to direct the attendance of any such person to be at his own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers. And the wilful disobedience to any such Order shall be deemed a contempt of Court and punishable as in other cases of refusing or neglecting to give testimony. Provided always that every person whose attendance shall be required under this Act shall be entitled to the like payment for expenses and loss of time as upon attendance in Court in cases where such expenses are now allowed.

IV. And it is hereby enacted, that it shall be lawful for every Court or person authorized to take the examination of witnesses by any Order or Commission issued in pursuance of this Act, and they are hereby authorized and required to take all such examinations upon oath or affirmation where an affirmation is admissible or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and every person causing or procuring another person to commit the offence of perjury hereby defined shall be guilty of subornation of perjury.

V. And it is hereby enacted, that before any Order or Commission for the examination of any witness under this Act shall be issued the Court or Judge issuing the same shall be satisfied that there is good reason for believing that the witness will be unable to attend at the usual time for examination by reason of absence from the jurisdiction, sickness or other cause allowed by law. And before granting any such Commission, the Court granting the same shall make particular enquiry as to the present residence of the witness whose deposition is to be taken under such Commission, and as to the Court of the same degree as the Court granting such Commission, or of inferior degree to such Court which may be nearest to the place of residence of the witness, and the Commission shall ordinarily be directed to such Court of equal or inferior degree as may most conveniently execute the same. Provided however that if there be doubt as to which is the most convenient Court of equal or inferior jurisdiction, such Commission may be directed to the Judge having jurisdiction within the district within which the Commission is to be executed. And the Judge shall at his discretion execute the Commission in his own Court, or direct it to any subordinate Court within his district, which shall have the same effect for all the purposes of this Act as if the Commission had in the first instance been directed to such subordinate Court. And no deposition taken under this Act, except as hereinafter mentioned, shall be read in evidence without the consent of the party against whom the same may be offered, unless it be proved that the deponent is beyond the jurisdiction of the Court, or dead, or unable from sickness or infirmity to attend to be personally examined, or distant without collusion more than 50 coss from the place where the Court is held, or exempted by law, absolutely or at the discretion of the Court, from personal appearance in Court, or unless the Court shall at its discretion dispense with the proof of any of the above circumstances, or shall authorize the deposition of any witness being read in evidence notwithstanding proof that the causes for taking such deposition have ceased at the time of reading the same; and after the witness shall be produced, and shall have delivered his testimony, it shall be lawful for the Court at its discretion to authorize the reading of the deposition. And all depositions taken under this Act, being duly certified, may be read, at the discretion of the Court, without proof of the signature to such certificate.

VI. And it is hereby enacted, that any Court other than one of Her Majesty's Courts, or any Judge thereof, may issue such Commissions as aforesaid, and such Orders as are indicated in the second and third Sections of this Act to be executed within the local limits of the jurisdiction of any of Her Majesty's Courts, and all such Commissions and Orders except when directed otherwise than to a Court, shall be directed to a Court of Requests having jurisdiction within such limits or any part thereof.

VII. And it is hereby enacted, that such Commissions and Orders as aforesaid may be issued for execution under this Act within the territories of Princes and States in alliance with the East India Company, and all persons within such last mentioned territories being in the service of the East India Company are

hereby required to pay obedience thereto, and for disobedience thereof shall on being found within the jurisdiction of the Court, or Judge issuing any such Commission or Order be punishable in like manner, as if such offence had been committed within such jurisdiction; and for giving false testimony under the same shall be punishable by any Court of Justice within the territories of the East India Company.

VIII. And it is hereby enacted, that whenever the evidence of any absent witness shall be required out of the jurisdiction of the Court in which the proceedings for which the evidence is wanted may be pending and the Commission shall be directed to any Court, such Court may punish the wilful disobedience of any such Order as aforesaid as a contempt notwithstanding it shall not itself have made such order, with the same amount of punishment as in other cases of refusing or neglecting to give testimony.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 14th of June 1841, is hereby promulgated for general information.

ACT No. VII. of 1841.

An Act for a more uniform and an improved process for taking the examination of absent witnesses.

I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examination of absent witnesses in any Presidency, are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company, and the several Judges thereof, in every Civil proceeding depending in such Court, upon the application of any of the parties to such proceeding, to order the examination, upon interrogatories or otherwise, before any Officer of any such Court, or other person or persons named in such order, of any witnesses within the jurisdiction of the Court where the proceeding shall be depending, or to order a Commission to issue to any subordinate Court for the examination of such witnesses upon interrogatories or otherwise, or to order a Commission to issue to any other Court for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise, and by the same or any subsequent order or orders to give all such directions for taking such examinations as well within the jurisdiction of the Court wherein the proceeding shall be depending as without as may appear reasonable and just; provided always that any Court to whom any such Commission shall be directed shall take the examination in open Court in all cases where witnesses are able to attend in Court and are not exempted from attendance by law, absolutely, or at the discretion of the Court. Provided also that such Commissions as aforesaid for the examination of witnesses out of such jurisdiction may be directed otherwise than to some Court under special circumstances which may appear to the Court issuing the Commission to render such special direction expedient. Provided also that all Commissions issued and Orders made by any Court of the East India Company, and which are required to be executed within the local limits of any of Her Majesty's Supreme Courts, shall be directed in manner hereinafter mentioned.

III. And it is hereby enacted, that when any Order shall be made for the examination of witnesses within the jurisdiction of the Court wherein any such proceeding as aforesaid shall be depending by the authority of this Act, it shall be lawful for the Court or any Judge thereof in and by the first Order to be made in the matter, or any subsequent order to command the attendance of any person to be named in such Order, and to direct the attendance of any such person to be at his own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers. And the wilful disobedience to any such Order shall be deemed a contempt of Court and punishable as in other cases of refusing or neglecting to give testimony. Provided always that every person whose attendance shall be required under this Act shall be entitled to the like payment for expenses and loss of time as upon attendance in Court in cases where such expenses are now allowed.

IV. And it is hereby enacted, that it shall be lawful for every Court or person authorized to take the examination of witnesses by any Order or Commission issued in pursuance of this Act, and they are hereby authorized and required to take all such examinations upon oath or affirmation where an affirmation is admissible or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and every person causing or procuring another person to commit the offence of perjury hereby defined shall be guilty of subornation of perjury.

V. And it is hereby enacted, that before any Order or Commission for the examination of any witness under this Act shall be issued the Court or Judge issuing the same shall be satisfied that there is good reason for believing that the witness will be unable to attend at the usual time for examination by reason of absence from the jurisdiction, sickness or other cause allowed by law. And before granting any such Commission, the Court granting the same shall make particular enquiry as to the present residence of the witness whose deposition is to be taken under such Commission, and as to the Court of the same degree as the Court granting such Commission, or of inferior degree to such Court which may be nearest to the place of residence of the witness, and the Commission shall ordinarily be directed to such Court of equal or inferior degree as way most conveniently execute the same. Provided however that if there be doubt as to which is the most convenient Court of equal or inferior jurisdiction, such Commission may be directed to the Judge having jurisdiction within the district within which the Commission is to be executed. And the Judge shall at his discretion execute the Commission in his own Court, or direct it to any subordinate Court within his district, which shall have the same effect for all the purposes of this Act as if the Commission had in the first instance been directed to such subordinate Court. And no deposition taken under this Act, except as hereinafter mentioned, shall be read in evidence without the consent of the party against whom the same may be offered, unless it be proved that the deponent is beyond the jurisdiction of the Court, or dead, or unable from sickness or infirmity to attend to be personally examined, or distant without collusion more than 50 coss from the place where the Court is held, or exempted by law, absolutely or at the discretion of the Court, from personal appearance in Court, or unless the Court shall at its discretion dispense with the proof of any of the above circumstances, or shall authorize the deposition of any witness being read in evidence notwithstanding proof that the causes for taking such deposition have ceased at the time of reading the same; and after the witness shall be produced, and shall have delivered his testimony, it shall be lawful for the Court at its discretion to authorize the reading of the deposition. And all depositions taken under this Act being duly certified, may be read, at the discretion of the Court, without proof of the signature to such certificate.

VI. And it is hereby enacted, that any Court other than one of Her Majesty's Courts, or any Judge thereof, may issue such Commissions as aforesaid, and such Orders as are indicated in the second and third Sections of this Act to be executed within the local limits of the jurisdiction of any of Her Majesty's Courts, and all such Commissions and Orders except when directed otherwise than to a Court, shall be directed to a Court of Requests having jurisdiction within such limits or any part thereof.

VII. And it is hereby enacted, that such Commissions and Orders as aforesaid may be issued for execution under this Act within the territories of Princes and States in alliance with the East India Company, and all persons within such last mentioned territories being in the service of the East India Company are hereby required to pay obedience thereto, and for disobedience thereof shall on being found within the jurisdiction of the Court, or Judge issuing any such Commission or Order be punishable in like manner, as if such offence had been committed within such jurisdiction; and for giving false testimony under the same shall be punishable by any Court of Justice within the territories of the East India Company.

VIII. And it is hereby enacted, that whenever the evidence of any absent witness shall be required out of the jurisdiction of the Court in which the proceedings for which the evidence is wanted may be pending and the Commission shall be directed to

any Court, such Court may punish the wilful disobedience of any such Order as aforesaid as a contempt notwithstanding it shall not itself have made such order, with the same amount of punishment as in other cases of refusing or neglecting to give testimony.
